4

Select the scenes that interest you. A simple session includes the “Yearbook” scene and one additional studio scene.

5

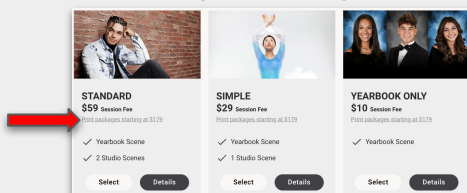

Choose your session type. There are many options on this page, ranging from Elite to Traditional. **Make sure to scroll all the way down to review them all.**

2 Choose Your Session

Based on your favorite scenes, we recommend our **Legacy Session**. Be sure to scroll down to browse and compare all session options before you book your session.

6

Scroll all the way down and you will see our Traditional Tier sessions. All session types include links that display package pricing.

7

Finally, select the studio location that works best for you, select a date and time, and create an account.
